    - apply a late payment levy.
    - reduce or waive a sub in cases of hardship.
    - reduce a sub by up to $100 for members in an ongoing volunteer role recognised by the Committee.

(Note: nightly accommodation rates are set by the Committee at the February planning meeting.)

Conflict of interest: Committee members declare an interest in the discretion to reduce subs for members in ongoing volunteer roles, as the Committee decides who qualifies and Committee members are likely to.

Why are we proposing changes to subs?

The club has made a loss for six years in a row, and our funds have fallen from about $119,000 in 2022 to about $79,000. The lodge is busy, with about 680 bed nights in 2026 against 600 in 2025 and 457 in 2024. Our membership is the problem: paying seniors fell from 58 in 2024 to 49 in 2025 and 2026.

With the $200 work party levy, a senior pays $400 a year. That is well above other clubs on the mountain, where about $300 is typical. The Committee proposes a single $300 senior sub and an end to the levy and its refunds, so most seniors will pay $100 less. The Committee may reduce the sub by up to $100 for members in ongoing volunteer roles. Work parties carry on, and new senior members will be expected to do one in their first two years.

The change costs about $3,000 a year on current numbers. The Committee will review nightly rates in February, and every lapsed senior who rejoins adds $300.
